

# IASB Announces

## FALL 2009 Travel Registration

The Indiana Area Soccer Boosters will sponsor competitive U10, U12, and U14 travel soccer teams for boys and girls in the PA West travel soccer league. These teams will travel within a 1.5 hr radius of Indiana to play games on Sundays. Home games and practices will be held at the White Township Recreation Complex.

The 2009 Fall Season begins in August and continues through October.

Players on the team in the fall are given first priority for the spring. Registration for the team does not guarantee your child will be rostered. In the event that there are more players than we have room for, your money will be refunded after tryouts. We make every effort to find a team for all players. We will only hold tryouts for age groups having more than one team or for age groups with more players than the roster can accommodate. More information about tryouts will be available after June 30 when registration ends. Late registrations will be considered only if roster space allows.

Age Groups U10, U12, and U14 are two-year groups, unless otherwise organized by IASB.

U10 with birthdates of 8/01/99 through 7/31/01
